Dear NEMS Member,

My name is Kenneth Tai and it is a privilege to serve you as your primary care provider (PCP) at North East Medical Services (NEMS). Knowing who your PCP is and working with the same provider is very important in building trust and better health. That is why I wanted to tell you a little bit more about me.

Sharing similar experiences as many of my patients, I was an immigrant to the United States over 30 years ago. While growing up in Chicago's Chinatown, my family had very limited access to the health care system due to the language barrier and lack of affordable health insurance. I was determined and motivated to become a physician in order to help those with limited access to the health care system like myself.

I received my bachelor degree in biochemistry from Washington University in St Louis and pursued my medical degree from University of Illinois in Chicago. I completed a residency in Internal Medicine and Pediatrics at Loyola University Medical Center in Maywood, Illinois.

Because of the unique and diverse patient population with limited access to health care, I joined NEMS in 2005. I am fluent in several languages, including Cantonese, Mandarin, and English. I hold board certifications from the American Board of Internal Medicine and am particularly interested in rheumatological diseases, diabetes, chronic hepatitis B, and health disparities. I am currently serving as NEMS' Chief Health Officer and a practicing physician.

In my spare time, I enjoy basketball, tennis, gardening, and watching movies. I live with my loving wife and two sons.

So remember, the next time you need quality health care, whether it's for a sore throat or an annual physical check-up, make sure to ask for me, Dr. Tai, your PCP.

尊敬的東北會員，

我是東北醫療中心的戴佰康醫生，很高興能夠成為您的主診醫生。了解您的主診醫生並長期與其合作對於建立互信和跟進您的健康非常重要，我想藉此機會作一個簡單的自我介紹。

我有著和許多病人類似的經歷。30 多年前我移民到美國，在芝加哥的中國城長大。由於語言障礙和缺乏負擔得起的醫療保險，我和家人能獲得的醫療服務非常有限。從那時起，我就立志要成為一名醫生，幫助像我一樣缺乏衛生保健的人。

我在密蘇里州的聖路易斯華盛頓大學 (Washington University) 取得生物化學學士學位，然後於伊利諾大學芝加哥分校醫學院 (University of Illinois, Chicago) 攻讀醫學學位。畢業後在伊利諾州梅伍德的羅耀拉大學醫學中心 (Loyola University Medical Center) 完成醫療實習和見習醫生培訓。我專注於內科及兒科。

我從 2005 年加入東北醫療中心開始，一直致力於為社區人士提供優質的醫療服務。我擁有美國內科醫學委員會 (American Board of Internal Medicine) 頒發的認證，專業興趣包括風濕疾病、糖尿病護理、慢性乙型肝炎、及健康差異。我可以說流利的粵語、國語及英語，現在擔任東北醫療中心的首席衛生長和執業醫生。

我的業餘興趣包括籃球、網球、園藝和看電影。閒時喜歡陪伴妻子和兩位兒子。

作為您的主診醫生，我會比較了解您的健康狀況，可以迅速回答您的問題，確保您獲得最佳的醫療照顧。這將節省您向另一位醫生或醫護師重新解釋保健需求的時間，也有助於進一步提高我們的工作效率和服務質量。下次當您要做例行檢查、或遇到緊急醫療狀況、或者有任何健康問題，請與我聯繫。
